

# Aquatec® | Orca<sup>NG</sup> Bath Lift Range

**3 year  
warranty**

## Aquatec **Orca<sup>NG</sup>** - The world's bestselling bath lifter

The *Aquatec Orca<sup>NG</sup>* bath lifter has been designed to provide confidence whilst getting in and out of the bath. The sturdy seating platform allows you to simply sit down and lower yourself to enjoy a comfortable and relaxing bath. Once bathing is complete, the **Orca<sup>NG</sup>** comfortably lifts you to the edge of the bath for a safe transfer to your feet. The **Orca<sup>NG</sup>** has an impressive weight limit of 140kg (22stone) as standard, while the **Orca<sup>NG</sup> XL** will support individuals up to 170kg (26.5 stone).

**AQUATEC®**

Trusted Solutions, Passionate People

Aquatec **Orca<sup>NG</sup>**

Reclining backrest

- Quick release floating hand control with integrated rechargeable battery
- Patented, self-release suction cups to allow quick removal from bath
- Backrest recline up to 40° for comfortable bathing
- Product Code: **1573866 - White covers**
- Product code: **1573876 - Blue covers**

Aquatec **Orca<sup>NG</sup> F**

An upright bath lift with a fixed backrest, that offers support for those who prefer to bathe upright. The integrated head support of the high backrest ensures a safe and comfortable bath.

**Aquatec Orca<sup>NG</sup> F** with fixed backrest

- Product code: **1573592 - White covers**

Aquatec **Orca<sup>NG</sup> XL**

A more powerful bath lifter with maximum weight of **170 kg (26.5 stone)**.

The reinforced scissor mechanism combines safe lifting with a compact construction. Minimum seat height of just 60 mm; allows plenty of room for a deeper and more comfortable bath.

**Aquatec Orca<sup>NG</sup> XL** with reclining backrest

- Product code: **1573686 - White covers**

## Features and Options

NEW

**Optimized base plate with carry handle for easy removal from the bath**

NEW

**Hand control holder fixed on the backrest**

NEW

**Holes in the base plate encourages drainage**

**Compact hand control with integral battery**

**Orca<sup>NG</sup>** bath lifts incorporate a revolutionary lightweight battery contained within the ergonomic hand control. Raised profile, coloured buttons and an emergency stop feature allow simple, controlled operation to give reassurance and independence.

**Safe hand control fitting**

The hand control connects within seconds to the back of the Orca, providing a secure and completely watertight seal. Effortlessly released with just one hand.

**Two-piece design**

When pushed forward the **Orca<sup>NG</sup>**'s backrest folds down and automatically unlocks. The backrest and base section can then be removed from the bath with ease. The 2 sections fit neatly into one another to give an extremely compact size for storage.

**Textured seating surface**

The **Orca<sup>NG</sup>** has a textured surface allowing use without covers if desired. The side flaps are hinged flush to the main seating surface and allow comfortable and safe side transfers, without entrapment of skin.

**Supported transfers**

For those who require additional support during transfer, the **Aquatec Trans** allows a smooth slide onto the seat and swivel into the bath with the minimum of effort.

**Product Code**

- **4.03.002 Trans** in Blue
- **4.03.008 Trans** in White

**Refresh kit**

The **Orca<sup>NG</sup>** refresh kit comprises a full set of covers, oyster suction cups, side flap diverters and user guide.

- Product code: **1470773**

**Height adaptors**

The **Orca<sup>NG</sup>** can be adapted to suit a full range of bath heights. Height adaptors can be quickly fitted to the bath lift base.

**Large oyster cups**

These extra large oyster cups allow the **Orca<sup>NG</sup>** to adhere to steeply curved and textured baths providing exceptional stability and safety. Smaller cups are available as an option.

## Features and Options

### Transport bag

A sturdy canvas bag with wheels for discreet transport and safe storage.

- Product code: **14586AQT**
